Dear Community Partner,

The Fort Pierce (Florida) Alumni Chapter of Kappa Alpha Psi Fraternity, Inc. invites you to support our **2027 Kidney Walk**. This chapter-led event brings our community together for kidney-health awareness and in support of the mission of the **American Kidney Fund (AKF)**.

Our chapter member **Timothy Richardson** is living with polycystic kidney disease (PKD), receives dialysis, and needs a kidney transplant. His experience inspired our chapter to unite neighbors, families, schools, physicians, businesses, and organizations around this cause.

Our fundraising goal is **$10,000**. We invite you to become a sponsor and help strengthen awareness, community participation, and support for people affected by kidney disease. The sponsorship levels on the next page offer ways to recognize your partnership.

Gold and Silver sponsors each receive two complimentary tickets to the 2027 Black and White Ball Gala, in addition to their listed sponsorship benefits.

To choose a sponsorship, visit **https://fort-pierce-kidney-walk.lovable.app/sponsor** or complete the printable commitment form in this packet. For questions, contact Timothy Richardson at **jazzone33@gmail.com**.

Thank you for helping our chapter bring the community together for kidney health and hope.

Respectfully,

Rodney Branch
Polemarch

Timothy Richardson
Kidney Walk Chairperson
